Serving Ambulatory, Skilled Nursing, and Long-Term Care

From Specialized Skills to Compassionate Caring

For over 40 years, Supplemental Health Care (SHC) has been connecting clinics, skilled nursing, long-term acute care facilities, and other healthcare organizations to skilled and vetted talent, helping ambulatory and long-term care providers deliver care that goes the distance, whether easing patients into an office visit today or extending a helping hand tomorrow.

If you're looking to broaden your reach for compassionate, long-term care in positions like nursing and therapy, SHC connects caring professionals with opportunities to improve the quality of life for grateful patients and families. Not only that, SHC provides these opportunities across a broad spectrum of specialties, including:

- ▶ Registered Nurses
- ▶ Licensed Practical/Vocational Nurses
- ▶ Certified Nursing Assistants
- ▶ Physical Therapists
- ▶ Occupational Therapists
- ▶ And more

My recruiter is excellent. She truly wants the best for me in my nursing career. I would recommend Supplemental Health Care to all of my fellow nurses and health care colleagues. Come join our team.

—DORIS LOUISE B., RN

Why Ambulatory & Long-Term Care Providers Choose SHC
