SHC HOME HEALTH STAFFING SERVICES

We connect Home Health organizations to skilled and vetted talent, while helping them manage staff productivity, improve compliance and meet revenue cycle management goals. We provide travel and local contracts, while recruiting from a national pool of Home Health professionals including:

- ▶ Social Workers and Speech Therapists
- ▶ Registered Nurses
- ▶ Occupational Therapists
- ▶ Physical Therapists
- ▶ Home Health Aides
- ▶ Other Nursing Professionals

“I have been working with SHC for over 15 years. We just hired our last traveler as a full-time employee. We are so lucky to have SHC and their awesome candidates.”

— ADRIANNE M., NEW YORK HOME HEALTH COMPANY

Our value-driven Home Health Workforce Solutions include:

- ▶ Managed Service Provider Programs (MSP) to streamline and manage all of your staffing needs
- ▶ Vendor Management Systems
- ▶ Staff and process management
- ▶ Guaranteed cost savings
- ▶ Streamlined bill rates and invoicing
- ▶ Customized reporting
- ▶ Financial guarantees for 100% accountability

Why Home Health Companies Choose SHC

SHC's dedicated Home Health division is staffed by 100% focused specialists and offers a range of services designed for Home Health partners.

- ▶ **40+** recruitment and client service professionals focused on home health & hospice care
- ▶ **330k+** hours of home health and hospice care completed in the last year
- ▶ **4,000** home health assignments staffed since 2023
- ▶ Innovative and industry-leading Oasis and Homecare Homebase training for Home Health professionals
- ▶ Our training is the **#1 reason why 100%** of SHC Home Health clients say that our professionals are both qualified and a fit for their culture

“Great candidates are provided and the recruiting staff is very efficient and customer service focused.”

— STAFFING PARTNER, HOME HEALTH

DEDICATED TO YOUR SUCCESS

82% Net Promoter Score

Award-Winning Home Health Service Difference

Our commitment to SHC clients extends from sourcing the best-in-class talent they require for their day-to-day operations to backend expertise that simplifies the management of talent—including the option of leaving the entire process to SHC. And we can customize our support to every client's situation.

- ▶ Our deep commitment to service has resulted in Best-of-Staffing® recognition for both client and talent satisfaction in each of the past nine years—earning SHC dual Gold Awards.
- ▶ SHC's **82% Net Promoter Score** significantly outpaces the industry's 40%

“Quick to respond. Caring and Professional staff. Great communicators.”

— STAFFING PARTNER, HOME HEALTH

About Supplemental Health Care

- ▶ Founded in 1984, SHC has grown to become one of the largest healthcare staffing agencies in the U.S.
- ▶ SHC offers the full continuum of healthcare staffing services, including:
 - » Home Health & Hospice
 - » Acute Care
 - » Behavioral & Mental Health
 - » Schools
 - » Ambulatory Care & Long-Term Care
 - » Correctional Health & Government Services
- ▶ We provide Travel Staffing, Local Staffing and a full suite of Workforce Solutions, including Vendor Management Systems (VMS) and Managed Service Provider Programs.

Impact:

Changing lives for good. Care is in our name and in our actions. Supplemental Health Care supports positive change for the communities we serve and the lives we touch.

- » SHC is committed to creating a more sustainable future for people and the planet. That includes helping to solve healthcare staffing shortages by sourcing hard-to-find healthcare talent, offering competitive pay and high-quality service, and placing individuals in roles where they can help advance the quality of care for all.
- » As a leading healthcare staffing company, SHC works hard to drive diversity and inclusion within our company and throughout healthcare.
